

Color OUR World

The Rockwall County Library Presents the 2025 Children's Summer Reading Club

The Rockwall County Library annually sponsors a theme-based summer reading program for babies, children, teens, and adults. This year's theme is **Color Our World** and the program begins Monday, June 2, 2025.

Rules

The Children's Summer Reading Club is open to children ages 3 to 11 years. **Ask at the Youth desk for information about programs for babies, teens, and adults.**

The Reading Club

The club is for all children ages 3-11 whether pre-readers, learning to read, or already reading. Children or parents track time spent on reading activities with a time log given out at registration. **After registration, any time spent reading or being read to counts!** Time spent listening to audio books also counts.

Reading Goals & Time Logs

Children keep track of the minutes read on a time log given out at registration. **For every 10 minutes children read or are read to,** they color or cover up one bubble/circle. Each log is 8 hours of reading activity. Children then use their completed log to choose a prize.

Please stay connected with us through Facebook, our newsletter, our website, and/or at the library for updates, including additions to summer events.

2025 School-age Shenanigans

The programs for school-age children are shows by professional entertainers. These **FREE** performances are located in the Library's first floor Large Meeting Room. Each date has two identical performances held at 11:30 AM and 1:00 PM.

PLEASE note that these programs are for good listeners ages 5 & up!

These programs are not suitable for children under 5. If you are bringing a younger child along with your school-age child(ren), your little one must stay within arm's reach.

The number of attendees at the programs is limited according to the room's fire code.

Plan to arrive early to get a seat and to avoid disappointment. Doors typically open 10 minutes before the shows.

Be on time! Latecomers disrupt the show. Please take care of restroom stops beforehand to avoid disruptions.

Be prepared to take a disruptive child out of the program promptly so as not to disturb others including performers.

Adults are asked to model good audience behavior for the children by turning off cell phones and not talking with others during the shows.
